RELIABILITY

GLOBAL REACH

QUALITY ASSURANCE

CUSTOMER FOCUS

We trade a wide range of crude oil and refined petroleum products, supplying energy to power industries and communities worldwide.

OUR PRODUCTS

-  Crude Oil (Light, Medium & Heavy)
-  EN590 Diesel
-  Gasoline (90/95)
-  Jet Fuel A1
-  Fuel Oil
-  Naphtha
-  Base Oil
-  Bitumen
-  LPG & LNG
-  Petrochemicals

GLOBAL REACH

Access to key markets and reliable suppliers worldwide.

COMPETITIVE PRICING

Market intelligence and best value assurance.

RELIABLE SUPPLY

Consistent volumes and on-time delivery.

QUALITY ASSURANCE

Rigorous quality control and product standards.

COMPLIANCE & SAFETY

Adhering to international regulations and HSE standards.

GLOBAL NETWORK

Strong relationships across key producing and consuming regions.

MARKET INTELLIGENCE

Real-time insights to navigate market dynamics and deliver results.

RISK MANAGEMENT

Proactive risk controls to ensure secure and efficient transactions.

SUSTAINABLE APPROACH

Committed to responsible energy trading and a cleaner future.

CUSTOMER FOCUS

Tailored solutions that meet your energy requirements.

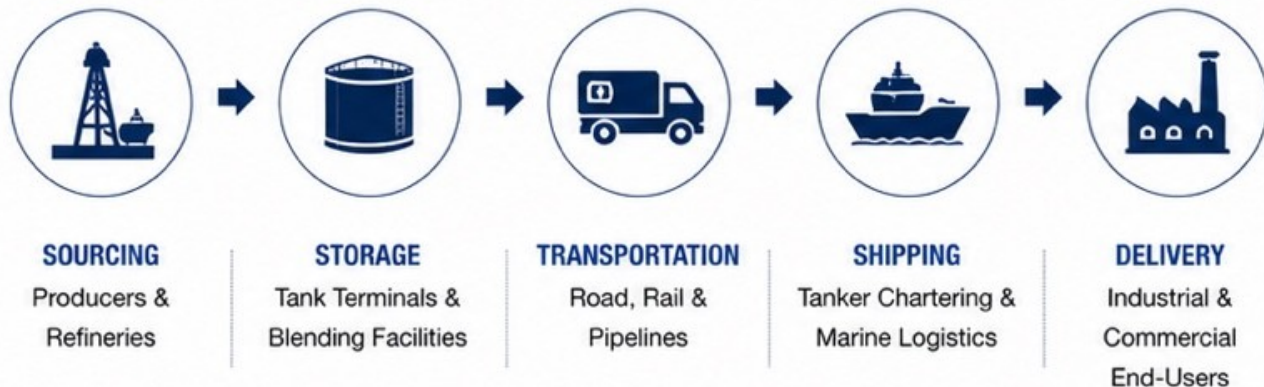

06

PETROLEUM SUPPLY CHAIN

End-to-end solutions ensuring safe, efficient and reliable delivery.

OUR COMMITMENT

We manage every link in the petroleum supply chain with precision and transparency, ensuring consistent product availability, operational excellence and superior customer satisfaction.

SAFE & COMPLIANT

Adhering to international safety and quality standards.

TIMELY DELIVERY

Reliable logistics ensuring on-time, every time.

GLOBAL NETWORK

Strong partnerships across key markets worldwide.

VALUE DRIVEN

Optimizing efficiency to deliver maximum value to our clients.

INTEGRATED SOLUTIONS

Seamless coordination across the entire supply chain.

EXPERIENCED TEAM

Industry experts with deep market knowledge.

QUALITY ASSURANCE

Rigorous controls to ensure product quality and reliability.

SUSTAINABLE APPROACH

Committed to responsible operations and environmental stewardship.

TRUSTED PARTNER

Building long-term relationships based on trust and performance.

07 | VESSEL CHARTERING

Flexible. Reliable. Global Coverage.

We provide flexible and reliable vessel chartering solutions tailored to meet global transportation requirements.

VOYAGE CHARTER

Point-to-point cargo transportation for one or more voyages.

TIME CHARTER

Vessels hired for a specific period to carry cargo as per requirements.

TANKER CHARTERING

Specialized tanker solutions for crude oil, refined products, chemicals and more.

DRY BULK CHARTERING

Reliable transport for bulk commodities including minerals, grains and fertilizers.

OFFSHORE SUPPORT

Support vessels for offshore operations and marine projects.

PROJECT CARGO TRANSPORTATION

Expert handling of oversized, heavy-lift and breakbulk cargo.

Access to a diverse fleet.
Delivering your cargo, anywhere.

GLOBAL COVERAGE

Strong network of owners and operators worldwide.

WIDE VESSEL NETWORK

Tankers, bulkers, offshore and specialized vessels.

SAFETY & COMPLIANCE

Adherence to international standards and best practices.

ON-TIME DELIVERY

Commitment to reliable and efficient execution.

CUSTOMER FOCUSED

Tailored solutions to meet every client need.

Our Fleet. Your Advantage.

We connect your cargo to global markets with the right vessel, at the right time, at the right value.

TANK STORAGE SOLUTIONS

Secure Storage. Strategic Advantage.

We provide access to world-class storage facilities and terminal infrastructure to support the safe and efficient handling of petroleum and chemical products.

TANK STORAGE BROKERAGE

Access to a global network of certified storage providers.

PETROLEUM & CHEMICAL STORAGE

Storage solutions for crude oil, refined products and chemicals.

BLENDING FACILITIES

High-quality blending to meet precise product specifications.

STRATEGIC RESERVES

Flexible storage capacity for short and long-term requirements.

TERMINAL MANAGEMENT SUPPORT

Operational support for terminals ensuring compliance and efficiency.

SAFE & SECURE

State-of-the-art facilities with strict safety protocols.

QUALITY ASSURED

Compliance with international quality and environmental standards.

RELIABLE OPERATIONS

Continuous monitoring and maintenance for uninterrupted operations.

GLOBAL ACCESS

Strategically located terminals across key markets for seamless logistics.

Reliable. Responsive.
Always On.

We source and supply a wide range of industrial minerals, metallic ores and strategic metals from trusted suppliers across the globe.

Global Sourcing

Access to reliable suppliers worldwide.

Quality Assurance

Rigorous quality control and certification.

Reliable Supply

Consistent supply and on-time delivery.

Competitive Pricing

Market-driven pricing and long-term value.

METALLIC ORES

- Iron Ore
- Manganese Ore
- Chromite
- Nickel Ore

BASE METALS

- Copper Concentrates
- Zinc Concentrates
- Lead Concentrates
- Aluminium

PRECIOUS METALS

- Gold
- Silver
- Platinum Group Metals

INDUSTRIAL MINERALS

- Limestone
- Silica
- Feldspar
- Kaolin

STRATEGIC MINERALS

- Rare Earth Elements
- Lithium
- Cobalt
- Graphite

Committed to sustainable sourcing, ethical practices, and building long-term partnerships.

A diversified portfolio of high-quality minerals and ores to meet global industrial demand.

IRON ORE

- Hematite
- Magnetite
- Lump
- Fines
- Concentrates

BASE METALS

- Copper Concentrates (Chalcopyrite)
- Zinc Concentrates (Sphalerite)
- Lead Concentrates (Galena)

CRITICAL MINERALS

- Tungsten (Wolfram)
- Antimony
- Graphite
- Fluorite

Sourced responsibly. Delivered reliably. Driving industrial progress.

Supplying essential minerals that power industries and drive progress.

SILICATES

- Quartz
- Feldspar
- Talc
- Mica

CARBONATES

- Calcite
- Gypsum

INDUSTRIAL FEEDSTOCKS

- Bauxite

SPECIALTY MINERALS

- Garnet
- Fluorite
- Graphite

OTHER KEY MINERALS

- Gypsum
- Kaolin
- Bentonite
- Barite

Quality minerals. Reliable supply. Sustainable future.

13

FERTILIZER DIVISION

Supplying essential nutrients to support global agriculture and food security.

We provide a comprehensive range of high-quality fertilizers to enhance soil productivity, improve yields, and promote sustainable farming.

OUR PRODUCTS

- Urea
- DAP (Diammonium Phosphate)
- MAP (Monoammonium Phosphate)
- NPK (Nitrogen, Phosphorus, Potassium)
- Potash
- Sulphur

NUTRIENT RICH

Formulated to deliver essential nutrients for optimal crop growth.

QUALITY ASSURED

Sourced from trusted manufacturers and tested to meet global standards.

ENHANCED YIELD

Supports higher productivity and better crop quality.

SUSTAINABLE SOLUTIONS

Promoting balanced nutrition and environmental stewardship.

IMPROVING SOIL HEALTH

Restores and maintains soil fertility for long-term productivity.

RELIABLE SUPPLY

Consistent availability to meet seasonal and market demands.

GLOBAL SOURCING

Strong partnerships with leading producers worldwide.

TIMELY DELIVERY

Efficient logistics ensuring on-time delivery across key markets.

SUSTAINABLE FUTURE

Supporting food security through responsible agricultural solutions.

Nourishing crops. Enriching soil. Securing tomorrow.

14

LOGISTICS & SUPPLY CHAIN

Our integrated logistics capabilities ensure seamless movement of commodities worldwide.
